Dr. Joseph A. J. Roth is deserving of a special mention as a successful practitioner of the " healing art," and although he has lived in Scott County, Ark., a comparatively short time, he is well and favorably known and has a large practice. He was born in St. Louis, Mo., on February 28, 1828, a son of Jacob and Charlotte (Barclay) Roth, the birth of the former being in Switzerland, and that of the latter occurring in 1805. They were married in St. Louis, and the subject of this sketch is their only child. The father, who was of Swiss descent, was murdered in Santa Fe, N. Dr.Roth was married in St. Louis September 27, 1852, at St. Exavia Church, to Mrs. Catherine E. Chappie, a widow with one child, Alexis, who is now deceased. The wife's maiden name was Brauner. To her union with Dr. Roth one child was born, Archibald. Mrs. Roth died August 8, 1889, having been a member of the Catholic Church throughout the greater portion of her life. In

1865 Dr. Roth commenced the study of medicine, and in 1868 took his first course of lectures in the St. Louis Medical College, and the same year he commenced practicing.
